### Request for FTP Access

I hereby request full FTP Access to my website. I understand that I am given this access so I can make changes to my website on my own. I understand that changes made to these files can cause the website to malfunction or not work at all. I understand that I am solely responsible for any problems that arise. I will make a complete backup of these files each time before making any changes.

I understand that if the running of scripts like PHP/CGI/PERL or other programs causes conflicts or uses extreme amounts of bandwidth, then Premier Hosting Company will delete them without further notice.

I understand that periodical updates to the underlying software may overwrite or conflict with changes that I have made. I will be responsible to correct any errors after such updates.

I understand that if the assistance from Premier Hosting Company is needed to fix or correct my website, I will be charged at the then current hourly rate (currently \$85 per hour).
